Former Wake Co. Deputy and President of the Wake Co. F.O.P. Lodge #41

Dear Friends of Law Enforcement:

It is with great appreciation that we, the Fraternal Order of Police, Wake County Lodge #41, write this letter of thanks to our community. Due to your generous donations this year we have been able to complete many of our goals.

The Fraternal Order of Police is a non-profit organization comprised of Active and Retired Law Enforcement Officers. These officers who strive to provide a secure living environment for the citizens of our community. We hope that our efforts will instill respect for law enforcement officers in the youth of our community and encourage our children and others to turn away from drugs and alcohol.

The money raised from our program is being used for many additional worthwhile projects in our area such as a Death Benefit Fund, youth activities, Christmas shop with an officer, and various other community assistance programs.

Again, our members would like to thank all of the supporters of the Fraternal Order of Police. We realize that you want to make a difference in our community. While our officers are out there day and night fighting the war against crime, it is reassuring to know that we have your support. I encourage each of you to visit with those who advertised in this book and thank them for caring.

Sincerely,
Arthur O'Brien

President of Board of Directors and the Members of the Wake County F.O.P. Lodge #41
